

Retirement Account Planning

Planning for the protection of IRAs and other retirement accounts following
Clark v. Rameker

The U.S. Supreme Court decided *Clark v. Rameker* on June 12, 2014 leaving inherited IRAs unprotected in bankruptcy. How will you advise clients in the face of this important decision?

This program will discuss the *Clark* case, addressing the needs of clients, various solutions, and using trust(s) as a beneficiary.

The cost of the seminar is \$10, lunch is included! 1 hour MN CFP credit and Insurance CE pending.
