

Thank you to FPA Chapters,
together we are making a difference.

Pro Bono Financial Planning matters and allows
people to make better financial decisions.

**It Matters
to over...**

330,000 underserved people who have benefited from pro bono financial planning

10,500 volunteers who have provided pro bono financial planning

301 grants totaling more than **\$5.7 million** to support pro bono financial planning in communities across America

Pro Bono
Financial
Planning
in Local
Communities

When the **Foundation for Financial Planning** is strong, pro bono financial planning is stronger in local communities. Helping people make better financial decisions, one person at a time. **It Matters!**
