The Fund's investment objective, risks, charges and expenses must be considered carefully before investing. The summary prospectus or full prospectus contains this and other important information about the Fund, and they may be obtained by calling Shareholder Services at (800) 304-7404, or visiting www.mairsandpower.com. Read the summary prospectus or full prospectus carefully before investing.

All investments have risks. The Fund is designed for long-term investors. Equity investments are subject to market fluctuations, the Fund's share price can fall because of weakness in the broad market, a particular industry, or specific holdings. Investments in small and midcap companies generally are more volatile. International investing risks include among others political, social or economic instability, difficulty in predicting international trade patterns, taxation, and foreign trading practices, and greater fluctuations in price than United States corporations.
