Work Experience

Wealth Management Intern, RMB Capital, Chicago, IL Summer 2019

- Assisted advisors in preparation for client meetings and portfolio rebalancing
- Attended client meetings and sat in on phone calls to gain a better understanding of advisor-client relationships
- Completed individual projects such as rebalancing all client 529 accounts
- Broadened knowledge of investments and portfolio management through an ongoing education program provided by the company

Data Analyst Intern, Hammond Group Inc., Hammond, IN Summer 2018

- Created models to predict battery performance from carbon properties using R software
- Worked in carbon quality control lab to gain a better understanding of how carbon impacts battery life by running tests such as trace metal analysis using an inductively coupled plasma mass spectrometry instrument

Residence Life Staff, St. Olaf College 2017-2019

- Participated in first year orientation and held debrief sessions on each activity to help acclimate students to college life
- Maintained a constant presence in residence hall by studying in lounges and leaving my door open so residents felt comfortable sharing any problems or concerning topics such as stress, depression, or sexual assault
- Conducted weekly programming throughout the year to get residents engaged in the community

Rowing Team President, St. Olaf College 2018-Present

- Oversee operation of the team which includes leading meetings, reviewing the budget and gaining funds, working through the insurance policy, and advising the head coaches
- Working to put in place a new team structure to become more competitive. This includes a new practice schedule, more regattas, and an increase in intensity of the program as a whole

Rowing Team Regatta Coordinator, St. Olaf College 2017-2018

- Coordinated regatta schedules, transportation, meals, and boats to prepare for upcoming regattas
- Kept in constant contact with local rowing coaches at the University of Minnesota, Macalester College, Minneapolis Rowing Club, etc. which allows St. Olaf to borrow equipment from them in the future
- Attended weekly executive board meetings to give updates and help plan practices and social events

Montessori Teaching Assistant, Montessori School of Lake Forest, Lake Forest, IL 2013-2017

- Worked with children ages 1-12 throughout the summer to assist the directress of the classroom
- Facilitated activities such as teaching new Montessori materials, swimming, biking, and crafts to continue education children receive throughout the school year
